

Rosanna

All I wanna do when I wake up in the morning is
see your eyes

Rosanna, Rosanna

I never thought that a girl like you could ever care
for me

Rosanna

All I wanna do in the middle of the evening is hold
you tight

Rosanna, Rosanna

I didn't know you were looking for more than I
could ever be

Not quite a year since you went away

Rosanna, yeah

Now she's gone, and I have to say

Meet you all the way

Meet you all the way

Rosanna, yeah

Meet you all the way

Meet you all the way

Rosanna, yeah

I can see your face still shining through the
window on the other side

Rosanna, Rosanna

I didn't know that a girl like you could make me
feel so sad

Rosanna

All I wanna tell you is now you'll never ever have
to compromise

Rosanna, Rosanna

I never thought that losing you could ever hurt so
bad

Not quite a year since you went away

Rosanna, yeah

Now she's gone, and I have to say

Meet you all the way

Meet you all the way

Rosanna, yeah

Meet you all the way

Meet you all the way

Rosanna, yeah

soolo

Not quite a year since you went away

(Who is it?) Rosanna, yeah

Now she's gone, and I have to say

Meet you all the way, yeah, yeah, girl

Meet you all the way

Rosanna, yeah

Meet you all the way ooh, ooh, ooh, yeah

Meet you all the way

Rosanna, yeah
