

I'm Still Standing

Intro: kierto x 2

You could never know what it's like
Your blood like winter freezes just
like ice
And there's a cold lonely light that
shines from you
You'll wind up like the wreck you
hide behind that mask you use

And did you think this fool could
never win?
Well, look at me, I'm a-coming back
again
I got a taste of love in a simple way
And if you need to know while I'm
still standing you just fade away

Don't you know I'm still standing
better than I ever did?
Looking like a true survivor, feeling
like a little kid
And I'm still standing after all this
time
Picking up the pieces of my life
without you on my mind

I'm still standing. *Yeah, yeah, yeah*
I'm still standing. *Yeah, yeah, yeah*

Once I never could've hoped to win
You're starting down the road
leaving me again
The threats you made were meant
to cut me down
And if our love was just a circus
you'd be a clown by now

You know I'm still standing better
than I ever did
Looking like a true survivor, feeling
like a little kid
I'm still standing after all this time
Picking up the pieces of my life
without you on my mind

I'm still standing. *Yeah, yeah, yeah*
I'm still standing. *Yeah, yeah, yeah*

Don't you know that I'm still
standing better than I ever did?
Looking like a true survivor, feeling
like a little kid
And I'm still standing after all this
time
Picking up the pieces of my life
without you on my mind

I'm still standing. *Yeah, yeah, yeah*
I'm still standing. *Yeah, yeah, yeah*
