

# NATALIE IMBRUGLIA - TORN

## INTRO

/ F / Fsus4 / F / Fsus2 /

## VERSE

/: F / x / Am / x / Bb / x :/  
I thought I saw a man brought to  
life  
He was warm, he came around like  
he was dignified  
He showed me what it was to cry  
Well you couldn't be that man  
that I adored  
You don't seem to know, or seem  
to care what your heart is for  
I don't know him anymore

## PRECHORUS

/ Dm / C / Am / C /  
There's nothin' where he used to  
lie  
Our conversation has run dry  
That's what's goin' on  
Nothing's fine, I'm torn

## CHORUS

/: F / C / Dm / Bb :/ x3  
I'm all out of faith, this is how  
I feel  
I'm cold and I am shamed  
Lying naked on the floor  
Illusion never changed  
Into something real  
I'm wide awake and I can see the  
perfect sky is torn  
You're a little late  
I'm already torn

## VERSE

/ F / x / Am / x / Bb / x /  
So I guess the fortune teller's  
right  
Should have seen just what was  
there and not some holy light  
But you crawled beneath my veins  
and now

## PRECHORUS

I don't care, I have no luck  
I don't miss it all that much

There's just so many things  
That I can't touch, I'm torn

## CHORUS

/: F / C / Dm / Bb :/ x3  
/ Dm / Bb /  
I'm all out of faith, this is how  
I feel  
I'm cold and I am shamed  
Lying naked on the floor  
Illusion never changed  
Into something real  
I'm wide awake and I can see the  
perfect sky is torn  
You're a little late  
I'm already torn

## BRIDGE

/ Dm / x / F / C /

## PRECHORUS

There's nothin' where he used to  
lie  
Our conversation has run dry  
That's what's goin' on  
Nothing's fine, I'm torn

## CHORUS

/: F / C / Dm / Bb :/ x4  
/ Dm / C / x /  
I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on the floor  
Illusion never changed  
Into something real  
I'm wide awake and I can see the  
perfect sky is torn  
I'm all out of faith  
This is how I feel  
I'm cold and I am ashamed  
Bound and broken on the floor  
You're a little late  
I'm already torn

## OUTRO (fade out x times)

/: F / C / Dm / Bb :/
